

IAAO Volunteer Form - 2019

*Collaboration is the best way to work. It's the only way to work, really.
Everyone's there because they have a set of skills to offer across the board.
Antony Starr*

Volunteers are at the heart of IAAO's work. We fulfill our promise to provide exceptional experiences, a vibrant community, and essential tools, as a result of the time and knowledge volunteered by members like you.

The IAAO Executive Board invites you to use your talents on specific projects to shape IAAO into a current, relevant, and innovative industry leader.

The goal of this search is to create volunteer opportunities with shorter commitments that align with demanding, fast-paced careers, and family life.

Your willingness to share your skills, talents and abilities on a volunteer basis, for specific projects with concise charges and timelines will help the Association provide member benefits in a timely manner.

Do you want to be a part of our talent pool? Please complete the form and questionnaire below. Don't forget to include those areas of knowledge specific to assessment, for example, a specific CAMA system. Please sign and date the form.
