

IMPORTANT ANNOUNCEMENT

MASS APPRAISAL VALUATION SYMPOSIUM

JUNE 22-23, 2022

We are pleased to announce that the forthcoming virtual Mass Appraisal Valuation Symposium (MAVS) is now going to be a joint event with the International Association of Assessing Officers (IAAO) and the International Property Tax Institute (IPTI) delivering the international symposium in partnership.

IPTI and IAAO already work in partnership in connection with the well-known and well-regarded “Journal of Property Tax Assessment & Administration” and have cooperated with each other on a number of professional events in the past.

The two organisations recently held discussions and agreed they would work together on the forthcoming MAVS to strengthen the event and reach a wider audience.

An “Expression of Interest to Present” had already been sent out prior to the IAAO-IPTI agreement, so that is now being reissued with an extended date for submission. A copy of the revised invitation is attached and you will see that the closing date for submissions is now February 28, 2022.

Paul Sanderson, President of IPTI, said:

“I am delighted to be working in partnership with the IAAO for the forthcoming MAVS. I met with Wade Patterson, the IAAO President, at a recent conference and we agreed that IPTI and IAAO should work together on more joint events. The virtual MAVS provides a great opportunity for us to work with each other and I am very much looking forward to it.”

Wade Patterson, President of IAAO, said:

“IPTI and IAAO have worked together for many years and I am pleased to work with Paul Sanderson and the IPTI team on this program. IAAO is working to reach more international valuers with programs on mass appraisal and this year’s joint virtual MAVS program is a great way to provide important information. We look forward to working together this year and in the future.”

Please see the details on the attached document for how to make your submission to present at the MAVS. We look forward to as many property tax professionals as possible joining us to make this year’s MAVS one of the best.
