- Full sponsorship recognition is based on advance payment and receipt of company logo.
- For all defined recognition, the last date to receive annual conference sponsorship materials is June 7, 2021. Meeting this deadline will ensure that sponsors are provided the defined recognition.
- Logo to be sent in JPEG, EPS, TIFF, or PDF format. Logo with a transparent background is preferred. Logo resolution of 300-600 dpi.
- Financial commitments and payments for conference sponsorships will become a component of the booth selection for the IAAO conference the following year.
- Companies selecting and funding exclusive, fully sponsored events will have right of first refusal for the same event at the following year's annual conference. IAAO agrees to notify business partners of date parameters for selecting events under first right of refusal.
- Should IAAO change sponsorship opportunities in the following year making an exclusive event no longer available, sponsors with a right of first refusal will retain a right of first offer on added events of equivalent value.
- From time to time, as conference and event locations change, IAAO may find it necessary or desirable to add sponsorships to address local market needs. Added sponsorships will not alter or otherwise change existing sponsorship levels of right of first refusal on fully sponsored events.
- All activities associated with the annual conference or other event, including signage, are subject to the approval of IAAO.

## Cancellation Policy

If notice of cancellation is made 90 calendar days before the first day of the annual conference or other event, a refund less 50% of the contracted amount will be issued. If notice of cancellation is made less than 90 calendar days before the first day of the annual conference or other event no refund will be issued. Any reduction in sponsorship level will be treated the same as sponsorship cancellation and will be refunded accordingly. ## Acknowledgement

Sponsor acknowledges and agrees that the IAAO may elect or be required to change the scheduled dates, location and/or format (including to a virtual format) of the Annual Conference or other IAAO events for reasons beyond its control or for reasons that, in the sole judgment of the IAAO, will benefit the Annual Conference or specific event and the participants. In the event that the IAAO is required, or decides, to make any such changes, the IAAO will make commercially reasonable efforts to (a) notify Sponsor promptly of such change, and (b) in the IAAO's discretion, provide either an appropriate substitution, which will be equivalent in dollar value to the applicable sponsorship, at the Annual Conference or other event, a similar sponsorship at the next Annual Conference or applicable event (and credit any amounts paid by Sponsor to that sponsorship) or a refund of the amounts paid by the Sponsor. The IAAO's liability to Sponsor hereunder shall not, under any circumstances, exceed the amounts paid to (and not yet refunded by) the IAAO by Sponsor for the applicable sponsorship. In no event shall the IAAO be liable for any indirect, consequential, special, exemplary or punitive damages regardless of the theory of recovery upon which such damages may be based and regardless of whether or not the IAAO has been advised of the possibility of the same.
