The Industry Partner Directory is one of the most affordable ways to establish a visible presence in the marketplace and make IAAO members aware of your products and services.

Each listing includes full contact information, an overview of products and services, and a company logo. Links to websites and e-mail contacts are allowed and encouraged. Reminders are sent out when it is time to renew your ad. Logos can be submitted in JPEG or GIF format and will be displayed at 200 pixels wide.

Advertisers in F&E may be eligible for a FREE listing in the Industry Partner Directory.* As an added benefit, participants in the Industry Partner Directory are regularly listed in F&E and elsewhere.
