Diversity & Inclusion Scholarship Application

The funding for scholarships is made available by the Board of Directors of the International Association of Assessing Officers to provide greater opportunities for members to attend educational courses, seminars, and the annual conference.

In 2021, the Board of Directors approved funding to assist those underrepresented in the association. The intent is to demonstrate IAAO’s commitment to Diversity & Inclusion in all its forms within the association. The scholarship award is $1,500 and is designed to defray conference registration, hotel, and transportation fees for members from typically underrepresented demographics within IAAO. These demographics include but are not limited to people of color, LGBTQ+, people with (dis)abilities, international and rural jurisdictions.

In addition to whether the applicant is a member of an underrepresented group in the association, the applicant’s financial need and statement outlining commitment to Diversity & Inclusion will be considered in selecting the recipients of the IAAO’s Diversity and Inclusion Scholarships. It is important for each applicant to complete all portions of the application and ensure that all required materials are submitted ahead of the deadline.
General Guidelines

1. There is one (1) scholarship available per annual conference year.

2. Applicants must submit the required application form sixty (60) days prior to the annual conference.

   a. Applications received less than 60 days of the event will not be considered.

3. All applications for scholarship funds are redacted upon receipt by IAAO Staff, then evaluated by the Diversity & Inclusion Task Force, followed by the IAAO Scholarship Committee. It is the goal of the Scholarship Committee to evaluate and inform recipients within a timely manner.

4. All submissions become the property of IAAO without financial restitution.

5. All applications should be submitted electronically to: scholarships@iaao.org. Questions regarding the scholarships can be directed to Shawn Lee House, house@iaao.org or 816/701-8106.
